INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
SUPERFUND ASSET MANAGEMENT, INC.

We have audited the accompanying statement of financial condition of SUPERFUND ASSET MANAGEMENT, INC. as of December 31, 2007, and the related statements of operations, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of SUPERFUND ASSET MANAGEMENT, INC. as of December 31, 2007, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the supplementary schedules is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

SUPERFUND ASSET MANAGEMENT, INC.

NOTES TO FINANCIAL STATEMENTS for the year ended December 31, 2007

1. Organization and Business

SUPERFUND ASSET MANAGEMENT, INC. (the "Company") was incorporated in the State of Illinois on September 27, 1996. The Company is a registered securities broker-dealer with the Securities and Exchange Commission (the "SEC") and is a member of The Financial Industry Regulatory Authority (FINRA). The Company is also registered with the Commodity Futures Trading Commission (the "CFTC") as a non-guaranteed Introducing Broker and is a member of the National Futures Association. The Company solicits and accepts orders to buy or sell futures contracts and commodity options but does not accept money or other assets to support such orders.

2. Summary of Significant Accounting Policies

Revenue Recognition

Commission revenue and related expenses on futures contracts are recorded on a "half-turn" basis, which is the date when the futures contract positions are opened or closed. Commission revenue and related expenses on options contracts are also recorded on a "half-turn" basis, which is the date when the positions are initially purchased or sold.

Income Taxes

The Company provides for taxes in accordance with the Statement of Financial Accounting Standards No. 109, "Accounting for Income Taxes", which requires recognition of deferred tax liabilities and assets for the expected future tax consequences of events that have been included in the financial statements or tax returns, if any. Under this method, deferred tax liabilities and assets are recognized based on the difference between the financial statement and tax basis of liabilities and assets using enacted tax rates.

Depreciation and Amortization

Property, furniture, equipment and leasehold improvement are being depreciated over the estimated useful lives of the assets using accelerated methods. Depreciation and amortization expense for the year ended December 31, 2007 amounted to \$635,061.

Statement of Cash Flows

For the statement of cash flows, cash is defined as cash and cash equivalents with maturities of less than three months.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Management determines that the estimates utilized in preparing financial statements are reasonable and prudent. Actual results could differ from these estimates.

SUPERFUND ASSET MANAGEMENT, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
for the year ended December 31, 2007

3. Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule 15(c)3-1 requiring the Company to maintain "net capital" equal to \$45,000. The Company is also subject to the CFTC Regulation 1.17. At December 31, 2007, the Company had net capital and net capital requirements of \$4,746,636 and \$69,103, respectively. The Company has elected to use the basic method as permitted by these rules.

4. Commitments

The Company conducts its operations in leased office facilities and annual rentals are charged to current operations. The leases are subject to escalation clauses based on the operating expenses of the lessors. The Company leases office space under noncancelable leases that expire through August 31, 2014. At December 31, 2007, the aggregate minimum annual rental commitments under these leases are as follows:

<u>Year Ending December 31,</u>	<u>Amount</u>
2008	1,052,478
2009	1,062,445
2010	967,871
2011	932,886
2012	892,045
2013-2014	<u>1,429,276</u>
	<u>\$ 6,337,001</u>

Rental expense charged to operations for the year ended December 31, 2007 totaled \$1,370,163.

5. Concentration of Credit Risk

At December 31, 2007, a significant credit concentration consisted of cash deposited in two banks. The balances exceeded federally insured limits by approximately \$4,742,247 which represents approximately 39.02% of the Company's equity. The Company has not experienced any losses in such accounts. Management believes that the Company is not exposed to any significant credit risk on cash.

6. Employee Benefit Plan

The Company has established a salary reduction (401(k)) plan for qualified employees. The Company has elected not to make contributions to the plan and is not the trustee of the plan assets.

Employee contributions made to the plan during the year ended December 31, 2007 totaled approximately \$285,413.

SUPERFUND ASSET MANAGEMENT, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
for the year ended December 31, 2007

7. Contingent Liability

The Company has been named in a lawsuit by a former employee/minority shareholder alleging improper termination. The Company denies the allegations and has filed a counter-claim against the former employee/minority shareholder. The proceedings are in early stages of discovery, however, the Company does not expect the outcome to have a material adverse effect on the financial condition, results of operations or liquidity of the Company.

**INDEPENDENT AUDITORS' REPORT
ON INTERNAL CONTROL**

To the Stockholders of
SUPERFUND ASSET MANAGEMENT, INC.

In planning and performing our audit of the financial statements of SUPERFUND ASSET MANAGEMENT, INC. (the "Company") for the year ended December 31, 2007, we considered its internal control structure, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by Rule 17A-5(g)(1) of the Securities and Exchange Commission (the "SEC"), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g), (1) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and the reserve required by Rule 15c3-3(e); and (2) in making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13. We did not review the practices and procedures followed by the Company in complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2007 to meet the SEC's objectives.

This report is intended solely for the information and use of management, the SEC, the CFTC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
